Fundraiser for School Garden: The garden on the side of the building was cleared and mulched last spring and is now ready for planting by our students. By purchasing some bulbs for your garden at home, we can raise money to purchase plants, etc. for our garden at school.

The second grade class will begin collecting **Box Tops for Education** again this year. Please look for the Box Tops coupon on products that you purchase and send them into school. The second grade will come to each homeroom on Fridays to collect them. Each Box Top is worth 10¢, which adds up quickly. The Box Tops will be used to purchase materials for our school. A list of participating products is attached. Thank you from the Second Grade!
