Feel the Magic
with a Day of Golf on September 18
and Help a Great Cause!
Rain or Shine

At the Wilson School we believe
that the Fine and Performing Arts
provide the key to producing
well-rounded students

Dear Friend of the Wilson School,

In today's competitive world, we are creating every opportunity to help a young person meet 21st century challenges. The Wilson School recognizes that this will benefit everyone's future, so each day we are focused on ways to make the learning experience more interactive, meaningful and relevant.

To that end, The Wilson School curriculum places great emphasis on communication skills through writing, oratory, the fine and performing arts as well as technology. Our 2nd Annual Golf Outing proceeds will be dedicated to providing artists in residence advanced music experiences, and opportunities for enrichment in the fine arts for all of our students, ages 4-14.

Your part is easy and fun. Sign up for a sponsorship and/or golf. You'll receive a day of golf at the Lake Mohawk Country Club in Sparta as well as lunch, and a cocktail/hor d'oeuvres reception. Your participation will help us spread the "magic" of a Wilson education to each of our students, the leaders of tomorrow.

Please Complete and Return by mail no later than September 02
